

# ShoreTrips® Your Guide to Shore Excursions

Now is the time to book your shore excursions! As part of a special service to you, we have arranged to offer several of the more popular excursions at a significant discount over the high onboard rates. Best of all, you can order these in advance and avoid the reservation line-ups onboard and the disappointment of sold out excursions. The following excursions are just a sample of the many highlights available to you on your Exotic cruise. Please visit [www.shoretrips.com](http://www.shoretrips.com) for more details and more excursions!
